

Waterproof 20w 1.2m Rigid LED Strip Lights For Showcase

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Sunled
- Certification: CE ROHS LVD EMS
- Model Number: SL-220V
- Minimum Order Quantity: 200pcs
- Packaging Details: 125*20*19cm,200pcs/ctn
- Payment Terms: Western Union, L/C, T/T, D/P
- Supply Ability: 10000pcs/week

Product Specification

- Type: Led 220V Hard Strip
- Voltage: AC220V
- Size: 1.2m
- Power: 20W
- Material: Plastic With Aluminum
- Color: White, warm White, cold White
- Led QTY: 72leds
- Warranty: 3 Years Warranty
- Highlight: 1.2m Rigid LED Strip Lights,
20w 1.2m LED Strip Lights,
1.2m Led 220V hard strip

Product Description

Waterproof 20w 1.2m Rigid LED Strip Lights For Showcase

Application

1. Interior design, such as decoration of home, hotel, KTV, bar, disco, club etc.
2. Architectural design, such as Decorative lighting of buildings, edge lighting decoration etc.
3. Advertisement project, such as Outdoor illuminated signs, billboard decoration etc.
4. Display design, such as decoration of drinks cabinet, shoe cabinet, jewelry counter etc.
5. Underwater lighting engineering, such as decoration of fish tank , aquarium, fountain etc.
6. City beautification, landscape design, holiday decoration and so on.

Features

- **More security:** Superior PC tube sealed with silicone, fully insulated.
- **Lowcost:** Driverless design, direct connect to 110/220V AC input voltage, without AC/DC conversion, that greatly reduces the cost.
- **Long lifetime:** Advanced IC technology, integrated 500V HV MOS,LED output current with $\pm 5\%$ accuracy,lead to longer lifetime more than 30,000 H.
- **Easy installation:** Small size and exquisite, there are screw holes in both ends. ,it can be fixed with screw or directly with 3M double-sided adhesive.
- **High Brightness:** Using super bright SMD LED source, CRI over 75, luminous flux over 22-24LM/IED and high luminous efficiency(>80lm/W).
- **Quality Guaranteed:** 0.5 square copper wire,1.2mm thicker aluminum PCB Circuit Board,low heat generation.
- **Waterproof:** Waterproof design IP65, Ideal for outdoor,indoor and damp location use , DO NOT submerge it into the water.

Item Type	5630/5730 led rigid bar
Other name	220Vv 5630 Rigid 72LEDs hard led strip Bar
Qty of led per meter	144pcs
Wattage	20W
SMD	SMD5630
Waterproof Rate	IP20/IP65 Optional
Color of FPC board	white
Lumen / led	30-35lm
Voltage	220V
Color temperature	Cold White/ Warm White/ Neutral White
beam angle	120°
Dimmable	Optional
Feature	1. ultra -brightness
	2. every 3leds can be cut
	3. easy to install,Can be fixed at any place

	4. can be used indoor/outdoor
	5. Low power consumption

Features:

Energy saving.

Long life span.

Maintenance free.

Result of saving money, saving energy, low carbon dioxide emissions!

Don't need driver, this driverless, light weight, low working temperature, just install with 2 screw on the side plastic mount.

Grade A Led chip guarantee, it is same brightness and color match for each Led chip and with aging procedure.

Advantages

1. Using super bright SMD LED as light source. High brightness, low-light decay, long life, color and good consistency.
2. Can be bent, can be arbitrarily fixed in the concave surface; Small size, rich colors. A red, yellow, blue, green and white and other colors for customers to choose;
3. Every three or six LED lights can form a loop; Every three or six LED lights can be cut along any of the above tangent without damaging other parts.
4. Low voltage power supply, security and stability.
5. Formed by the printed circuit board, on the back of a double-sided adhesive for paste, easy to use. There are many colors available for customers choice.
6. For transparent or non-transparent material around the light.
7. Each volume of the standard length; 5 meters/roll(flexible led strips), according to customer requirements.
8. Long life, use 50000 hours.
9. Better quality and lower price.
10. 2 years warranty.

Packaging & Shipping

Shipping will be done through FedEx/DHL/UPS/TNT/EMS express delivery, or air transport, or ocean transport.
Freight collect, freight prepaid, DDU, DDP services are available.

FQA

Q1. Can I have a sample order for led light?

A: Yes, we welcome sample order to test and check quality. Mixed samples are acceptable.

Q2. What about the lead time?

A: Sample needs 3-5 days, mass production time needs 1-2 weeks for order quantity more than

Q3. Do you have any MOQ limit for led light order?

A: Low MOQ, 1pc for sample checking is available

Q4. How do you ship the goods and how long does it take to arrive?

A: We usually ship by DHL, UPS, FedEx or TNT. It usually takes 3-5 days to arrive. Airline and sea shipping also optional.

Q5. How to proceed an order for led light?

A: Firstly let us know your requirements or application.

Secondly We quote according to your requirements or our suggestions.

Thirdly customer confirms the samples and places deposit for formal order.

Fourthly We arrange the production.

Q6. Is it OK to print my logo on led light product?

A: Yes. Please inform us formally before our production and confirm the design firstly based on our sample.
