

Basic Information

Place of Origin: Shenzhen China

• Brand Name: Sunled

Certification: CE ROHS LVD EMS

• Minimum Order Quantity: 100m

• Price: 1.57USD/m-1.36USD/m

Packaging Details: 58*32*45cmDelivery Time: 10-15 work days

Product Specification

• Product: Plant Soft Light Strip

Imput Voltage: AC220v
Color: Red,blue
Lamp Luminous Flux(Im): 240Im
Cri (ra>): 80

Led Light Source: SMD5050Ip Rating: IP 65Warranty: 2 Years

• Highlight: 240lm Flexible Waterproof Led Strip,

SMD5050 Flexible Waterproof LED Strip, 240lm Plant Growth Flexible Led Strip

Product Description

Plant Growth SMD5050 240lm Flexible Waterproof Led Strip

AC220V Red and blue plant soft light

High quality smd5050 led strip
DC12V input voltage option
Silicon coated waterproof
IP65/IP68 Waterproof Optional
Cutttable
Both end with Waterproof DC Male/Female connector
Normal package 5meters/roll
Customized length also accepted,like 6m,8m,8.5m,or other special length
Long lifespan

Product Details:

SMD5050
22-26LM/Chip;
16w/m
80
AC220V
60LEDs/Meter
16W/Meter
IP65
-20~ + 60°C
Plant Growth
4:1,
50000Hours

Red and blue light function:

Red light promotes plant growth, germination and flowering, and plays a leading role in promoting plant photosynthesis.

Blue light can enhance the activity of chloroplasts, prevent plant growth, and on the other hand inhibit photosynthesis.

The combination of red light and blue light can promote the growth and development of vegetable seedlings than red or blue light. Different plants require different ratios of red and blue light. Our ratio is 4:1 between red and blue

Our team:

- 1. Reply to your inquiry within 24 working hours.
- 2. Well-trained and experienced staff will answer for you.
- 3. Provide customers with the lowest price with high-quality LED lights.
- 4. Protect your sales area, design ideas and all private information.
- 5. Deliver the goods to our global customers quickly and accurately.
- 6. Provide OEM and customized services.
- 7. UL/CE/ROSH certificate, 2 years warranty and 50000 hours service life.

FAQ:

Q1. Can I order samples of LED lights?

Answer: Yes, we welcome to order samples to test and check the quality. Mixed samples are acceptable.

Q2. What is the delivery time?

Answer: The number of samples to be ordered takes more than 3-5 days, and mass production takes 1-2 weeks.

Q3. Is there a minimum order quantity limit for led lights?

Answer: The minimum order quantity can provide 1 sample for inspection

Q4. How do you ship the goods and how long will it take to arrive?

Answer: We usually ship by DHL, UPS, FedEx or TNT. It usually takes 3-5 days to arrive. Air and sea are also optional. Q5. Can I print my logo on LED lighting products?

Answer: Yes. Please inform us formally before production, and then first confirm the design according to our samples.

Q6. Does your product have a warranty policy?

Answer: Yes, we provide 2-5 years warranty for our products.
