

96W/roll Flexible LED Strip Lights for Versatile Lighting Applications

Our Product Introduction

for more products please visit us on led-stripslights.com

Basic Information

- Place of Origin: shenzhen china
- Brand Name: sunled
- Certification: CE ROHS LVD EMS
- Model Number: SL-CW2835FS120-12V
- Minimum Order Quantity: 100meters
- Packaging Details: carton
- Delivery Time: 5-15 working days
- Payment Terms: TT,PAYPAL , WEST UNION
- Supply Ability: 10000m/week

Product Specification

- Voltage: DC24V
- Power/roll: 96W/rol
- Application Scenarios: Indoor Decorative Lighting, Commercial Displays, And Car Interior Ambient Lighting
- Brightness: Up To 13-15 Lumens/watt
- CCT: 6000-6500/2800-3000
- Color: Cool White/Warm White
- Color Temperature Options: Cool White Or Warm White
- Lumen Per LED: 22-24LM
- Highlight: Versatile Lighting LED Strip Lights, 96W/roll LED Strip Lights, 96W Flexible LED Strip Lights

Product Description

Product Description:

Each roll of these flexible strip lights has a power of 96W/roll, which provides ample lighting to brighten up any space. The power supply for these lights is a 24V low-voltage power supply, which ensures that they are energy-efficient and safe to use. They are designed to be suitable for indoor or partial outdoor environments, and can withstand mild weather conditions.

The CRI (Color Rendering Index) of these strip lights is 83/81, which means that they produce high-quality light that accurately reflects the color of objects. This makes them ideal for use in areas where color accuracy is important, such as in art studios, photography studios, and more.

These LED Flexible Strip Lights are also waterproof, which makes them suitable for use in areas that are exposed to moisture or water. You can use them in your kitchen, bathroom, or any other space where water might be present without worrying about damaging them.

Overall, these strip lights are a great choice for anyone who is looking for a wide led strip lights that are easy to install, energy-efficient, and versatile. They can be used in a variety of settings and are perfect for both personal and professional use. So why wait? Get your hands on these strip lights led lights today and transform your space with ease!

Features:

Product Name: LED Flexible Strip Lights

Lumen Per LED: 22-24LM

CRI: 83/81

Power/roll: 96W/roll

Size and structure: 5 mm circuit board width, suitable for small spaces

CCT: 6000-6500/2800-3000

Type: smd 2835 led strip

Feature: flexible strip lights

Technical Parameters:

Product Name:	Flexible SMD2835 LED Strip Lights With 5mm Circuit Board Width For Various Installation Needs
Color:	Cool White/Warm White
Size:	5*5000 MM/roll
Lumen Per LED:	22-24LM
Brightness:	Up to 13-15 lumens/watt
CRI:	83/81
CCT:	6000-6500/2800-3000
Waterproofing:	Suitable for indoor or partial outdoor environments
Color temperature options:	Cool white or warm white
Convenience of installation:	Self-adhesive adhesive on the back

This LED flexible strip lights product is perfect for cabinet led strip lights and indoor led strip lights. With its self-adhesive adhesive on the back, it offers convenience of installation for any led strip light installation.

Applications:

With a power output of 96W per roll, these LED strip lights are perfect for a wide range of applications. Whether you're looking to create a warm, inviting atmosphere in your living room or a bright, functional workspace in your office, these indoor LED strip lights are up to the task.

The LED strip lights are also incredibly versatile, with a CCT of 6000-6500/2800-3000. This means that you can adjust the color temperature to suit your needs, whether you're looking for a cool blue light or a warm yellow glow.

What's more, Sunled's LED strip lights are CE, ROHS, LVD, and EMS certified, ensuring that they meet the highest safety and quality standards. They are manufactured in Shenzhen, China, and have a minimum order quantity of 100 meters, with payment terms including TT, PayPal, and West Union. With a supply ability of 10,000m per week, you can rest assured that you'll receive your order promptly. Whether you're looking to create a cozy reading nook or a bright, welcoming entryway, Sunled's flexible strip lights are the perfect choice. With a high CRI of 83/81 and a lumen output of 22-24LM per LED, these LED strip lights are sure to impress. Plus, they come in a convenient carton packaging, making them easy to transport and store.

Order your Sunled SMDS 2835 LED strip lights today and start transforming your space with bright, beautiful light.
